13.2 Receive and Review WP Core Group Meeting Reports

Core group meeting minutes from all core WPs (except for WP 6) were received by WP13 well before the Annual Event. After reading the minutes, WP13 representatives compiled a list of topics that required further attention and/or clarification. These topics were discussed with core WP representatives during the stakeholder interview session at the Annual Event 2009 and a protocol/summary can be found in deliverable 13.8. The written summary (as provided in 13.8) was made available to all WPs through the secretariat.
