**Minutes WP6 Core group meeting**

**Activities:**

- Presentation of results from data analysis (survey about LLL) to participants of the annual event.
- Discussing developments since WP6 group meeting in Aberdeen, UK (12-13<sup>th</sup> May 2010).
- Discussion of issues to present/discuss with stakeholders.

**Stakeholder interaction**

**Interaction with stakeholder groups in order to:**

- Inform stakeholders about activities and results of the previous year
- Inform about the importance and necessity of the survey to stakeholders and request their participation
- Ask what advice they can give to WP6

**The results of this interaction were:**

- Stakeholders agreed to cooperate and disseminate the survey at appropriate occasions and also complete the survey themselves.
- Realisation that there are still doubts and uncertainties about what Lifelong Learning is, amongst members and stakeholders. WP6 agrees that the concepts and state of the art of Lifelong learning needs to be disseminated more.
